Rationale

Australia comprises a diverse range of cultures. All Australians have an ethnic (cultural) identity, whether they be of Aboriginal or non-Aboriginal background, of English-speaking or non-English speaking background.

Outcomes

- To foster and promote Multiculturalism as a social value which focuses on national unity within which there is cultural diversity.
- To promote tolerance and knowledge of other cultures.

Implementation

- Multicultural perspectives included across the curriculum
- Study of individual countries – CWA projects and HSIE.
- Visits to embassies as appropriate
- Guest speakers when available
- LOTE in the classroom
- Studies of artists & composers from all cultures
- Recognition of national days as appropriate
- Harmony Day celebrations
- NAIDOC week
- Acknowledgement of country at assemblies
